Bruce Bennett Marble Art and furniture design offers natural stone products to architects and designers. We provide both unique and natural materials and the craftsmanship to create your designs in marble, travertine, onyx, granite and stone from around the world.

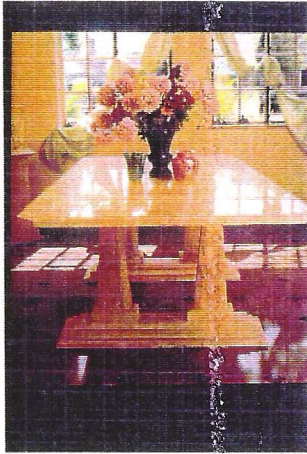

We are the source for exotic colors of Indian slate and granite, chinese marble, Brazilian granite, and cantera from Mexico. We offer office furnishings, marble desks and credenza tops, conference tables in any length, plus sculptural pieces to accent the reception and lobby areas.

Our design flexibility allows you to use the beauty and durability of natural stone in any residential or commercial interior, whether traditional, contemporary or neoclassical. We offer the correct stone for the bath or kitchen and can complement any of your plans.
